## TS1230

### PORTABLE SCALPER/RECLAIMER

The Tesab TS1230 delivers the versatile, heavy-duty configuration that is expected of the TS-Series screeners, but can be transported easily and economically.

The TS1230 is a perfect fit for contractors that require the ability to tackle large numbers of smaller heavy-duty construction, demolition, and remediation projects.

The TS1230 is built with the durability and screening performance that Tesab has built its reputation on, using high-quality components and the innovative Tesab High Energy Screenbox.

### FEATURES & BENEFITS
